The universe is made of  
stories, not of atoms.

Don't forget about our Launchpads.  
They can be checked out for 2 weeks just like books.

Every time "Our Day at the Zoo" is checked out, you will receive a ticket good for four free entries into the OKC Zoo—one per household-no age restrictions. The ticket does not expire until 3-31-20, which gives plenty of time to schedule your trip. Currently we are doing "in-house" check outs only.

Something new and  
fun for the  
summer...

and just for adults!

Each time you check out  
something from the  
library you are entitled  
to spin the wheel to win  
a prize.

(One spin per visit)

*Boom Town* announces the arrival of an exciting literary voice. Sam Anderson, former book critic for *New York* magazine and now a staff writer at the *New York Times* magazine, unfolds an idiosyncratic mix of American history, sports reporting, urban studies, gonzo memoir, and much more to tell the strange but compelling story of an American city whose unique mix of geography and history make it a fascinating microcosm of the democratic experiment. Filled with characters ranging from NBA superstars Kevin Durant and Russell Westbrook; to Flaming Lips oddball frontman Wayne Coyne; to legendary Great Plains meteorologist Gary England; to Stanley Draper, Oklahoma City's would-be Robert Moses; to civil rights activist Clara Luper; to the citizens and public servants who survived the notorious 1995 bombing of the Alfred P. Murrah federal building, *Boom Town* offers a remarkable look at the urban tapestry woven from control and chaos, sports and civics.
