Representative Toni Hasenbeck presented the Health Literacy Grant check to Friends vice-president, Cindi Tracy. Also pictured are Friends members Gaylene Kolker, Mary Stoneman, Dianne Dirickson and librarian, Leslie Durham.

## National Friends of Libraries Week

**Whereas,** Friends of the Elgin Community Library raise money that enables our library to move from good to great -- providing the resources for additional programming, much needed equipment, support for children's summer reading, and special events throughout the year;

**Whereas,** the work of the Friends highlights on an on-going basis the fact that our library is the cornerstone of the community providing opportunities for all to engage in the joy of life-long learning and connect with the thoughts and ideas of others from ages past to the present;

**Whereas,** the Friends understand the critical importance of well funded libraries and advocate to ensure that our library gets the resources it needs to provide a wide variety of services to all ages including access to print and electronic materials, along with expert assistance in research, readers' advisory, and children's services;

**Whereas,** the Friends' gift of their time and commitment to the library sets an example for all in how volunteerism leads to positive civic engagement and the betterment of our community;

**Now, therefore, be it resolved that Larry Thoma, Elgin mayor,** proclaims October 20-26, 2019, as Friends of Libraries week in Elgin, Oklahoma, and urges everyone to join the Friends of the Library and thank them for all they do to make our library and community so much better.

## October 29

Liz Daniels should be happy about setting off on a rare family vacation. Instead, she feels uneasy about taking her kids away from home to see their grandparents. Her husband, Paul, hasn't spoken to his parents—or about them—in years, and it's a long drive to the remote farmhouse. After a day on the road, Liz decides it's time to check in to a hotel for the night. After all, everything always looks better in the morning. But when the sun comes up, she finds her worst fears realized and her entire existence upended: Paul is suddenly a stranger to her, and Liz must now fight to save her family. Her panic mounts as she races to unravel a web of lies, following a thread that leads deep into the woods and journeying from a safe, ordinary life to a disturbing, hidden world born from dreams and haunted by nightmares.

## Future Selections:
