STORIES!!**

WHERE: 6th grade Cafeteria

WHEN: June 6

TIME: 1:30

Sponsored by Elgin Community Library
AMAZINGLIBRARYSHOWS.COM * AMAZINGSCHOOLSHOWS.COM

Beginning **JUNE 1**, all ages except teens start recording the titles of books that you read or in the case of the littles, what you read to them. Teens record the number of pages read. Incentives will be given throughout the program. We will also give a grand prize to the 3 people in each program who reads the most.

Our **adult** program is very low-key. Come in frequently to register for our weekly drawing. We will also have fun quizzes and puzzles for you each week. The first adult to bring them in completed correctly will get a prize. .

Teens also need to come in frequently to register for the weekly drawings. They will meet June 13 (*note this is a Tuesday*), June 28, July 12 & 26 at 5pm for their program. Teens need to record the number of pages they read .

The **children** in both the Tuesday and Wednesday programs can bring their reading logs into the library to receive incentives for every 6 books read. We will also do a door prize during each of these programs.

Contact the library at 492-6650 if you have any questions.

Discover the engineering challenges common to everything we build. In this fun and engaging Mad Science show, we bring out the creativity of engineers as they go through the design process - and solve real world problems!

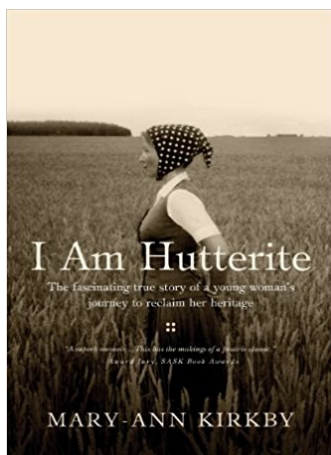

Dare to walk on eggs? Make wooden structures fall due to earthquakes? Join us this summer 2017 as our youngest engineers learn how to build and shape a better world.

Tuesday, June 13
1:30 elementary age
5:00 teens

ENGINEERS SHAPE THE WORLD

June 27 @ 9am

I Am Hutterite takes readers into the hidden heart of the little-known Hutterite colony in southern Manitoba where author Mary-Ann Kirkby spent her childhood. When she was ten years old her parents packed up their seven children and a handful of possessions and left the security of the colony to start a new life. Overnight they were thrust into a world they didn't understand, a world that did not understand them.

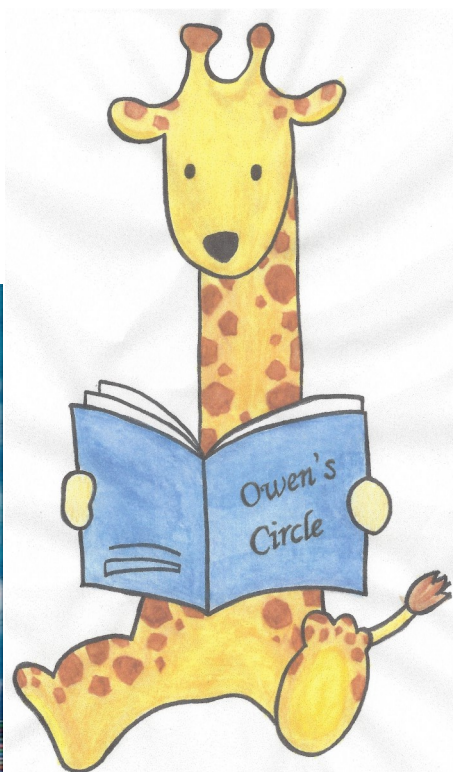

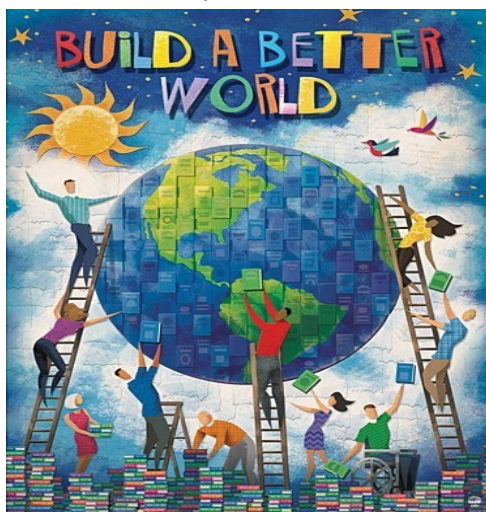

Before she left the colony Mary-Ann had never tasted macaroni and cheese or ridden a bike. She had never heard of Walt Disney or rock-and-roll. She was forced to reinvent herself, denying her heritage to fit in with her peers. With great humor, Kirkby describes how she adapted to popular culture; and with raw honesty her family's deep sense of loss for their community. More than a history lesson, I Am Hutterite is a powerful tale of retracing steps and understanding how our beginnings often define us.

Upcoming Selections

July 25: Julia's Chocolates by Cathy Lamb

August 29: As Close As Sisters by Colleen Faulkner

September 26: The Mountain Between Us by Charles Martin

Elgin Community Library is offering a special story time for children with suppressed immune systems due to an organ transplant, cancer, or other disease.

Our first weekly story time will be Thursday, April 6 at 10:30. We will have face mask and disposable gloves for the children to wear at the parents discretion.
