All Magnolia Vickers ever wanted was to follow in her father's path and head up the Family business. And, once upon a time, she and Carter Landlow were going to do it together. But new legislation is about to destroy the Family's operations in the black-market organ trade, and Carter, her love, is dead.

With swoon-worthy romance and thrilling tension this book will hold readers spellbound.

Library News:

*Wigglers will resume on September 2 at 10:30. Initially we will meet in the backyard. If the weather is rainy, it will be cancelled for that day. All other programs will be as usual.

*STEAM is for all ages. If we end up with too large of an age difference we will revisit the time schedule.

*Teen Café: the first 2 weeks we will make our calendar for the year.

*****Adult volunteer needed to oversee the teen group*****

*Until someone is hired, please have patience with me running all the programs and the circulation desk.

*Next spring we will be hosting a plant/seed swap. Be sure and collect your seeds this fall and save them for our big spring gardening event.

*As always, if you have ideas or suggestions, please feel free to let me know.
