Grenadine Scotch Wild has only vague memories of the parents she last saw when she was six years old. But she's never forgotten their final, panicked words to her, urging Grenadine to run. The mystery of their disappearance is just one more frayed strand in a life that has lately begun to unravel completely. One year into her rocky marriage to Covey, a well known investor, he's arrested for fraud and embezzlement. And Grenadine, now a successful collage artist and painter, is facing jail time despite her innocence.

With Covey refusing to exonerate her unless she comes back to him, Grenadine once again takes the advice given to her so long ago: she runs. Hiding out in a mountain town in central Oregon until the trial, she finds work as a bartender and as assistant to a furniture-maker who is busy rebuilding his own life. But even far from everything she knew, Grenadine is granted a rare chance, as potentially liberating as it is terrifying--to face down her past, her fears, and live a life as beautiful and colorful as one of her paintings. . .

Miller's Valley is an emotionally powerful story about a family you will never forget. In a small town on the verge of big change, a young woman unearths deep secrets about her family and unexpected truths about herself. For generations the Millers have lived in Miller Valley, a small American town on the verge of enormous change. Mimi Miller describes her life, from the 1960s to the present, with intimacy and honesty, as though revealing it to the best friend she never had. As Mimi eavesdrops on her parents and quietly observes the people around her, she discovers more and more about the toxicity of family secrets, the dangers of gossip, the flaws of marriage, the inequalities of friendship, the risks of passion, loyalty and love. Home, as Mimi begins to realise, can be a place where it's just as easy to feel lost as it is to feel contented. A masterly study of family, memory and loss, Miller's Valley reminds us that the place where you grew up can disappear, and the people in it too, but all will live on in your heart forever.

There will be no book club during the month of December.

We welcome anyone who would like to join the book club. Each member has a say in the books selected and there are no discussion questions...just a friendly conversation on what we liked or didn't like about the books we read. So....won't you come join us?
